AMUSEMENTS TO-NIGHT.

GEOVER'S THEATER.-Those who delight in first class operatic entertainments understood that the opera season at Grover's would expire with Saturday night. Mr. Grover, how. ever, with his indefatigable zeal to please the public, announce- four nights more of the opera company of Carl Anschutz, and to-night again "Faust" will be performed. What word is neces ary to induce a large attendance? None, we apprehend; for the operatic company performing here has made its reputation al-

FORD'S THEATER -Our theater going people appear to never tire of spectacular dramas, especially when they are got up in that style for which Mr. Ford is famous, and therefore he but executes the wishes of the public when he reproduces "The Naiad Queen" for two nights more. It should be borne in mind, however, that but two more representations of this spectacle can be given, as Mr. J. S. Clark is positively engaged for Wednesday night.

CANTERBURY .- Manager Lea announces a number of new performers and performances this week, and among the latter are the "Fly. ing Millerite;" and John Mulligan will appear for the first time as "Toby Tuttle," in the funny afterpiece, "The Manager's Assistant." Murietta Ravel and other flue performers will appear.

METROPOLITAN HALL .- A good bill of song, dance and Ethiopian eccentricity to-night again. Many new performers and new acts are announced for this week. There will be a matinee this afternoon.

SEVENTH STREET PRESBYTEBIAN CHURCH FAIR AND FESTIVAL .- The fair and festival of of the Seventh Street (Island) Preshyterian Church commences to-night at Island Hall with some interesting exercises. Hon. Amos Myers, of Pa, an eloquent speaker, will make some opening remarks, and the entertainment otherwise will be highly interesting. The Island ladies are famous for their success in getting up fairs and festivals, and those in charge of the one under notice have exerted themselves greatly to make it superior to any of its predecessors.

BALL.—The Young Men's Club give a ball at United Hall, 11th street, to-night.

The Sabbath School Celebration. ANNUAL REPORT OF THE SECRETARY.

EAR, THROAT, AND AIR PASSAGES.

Testimonials.

From the Rev. Fred. 5 Jewell, Professor of State Normal School, Albany, N. Y. Tais may certify that I have been, since 1814. subject to violent periodical attacks of catarrh, marked by a highly inflamed condition of the lining membranes of the cavities of the head, producing a most distressing species of head. ache for days at a time, wholly incapacitating me from business, and during the paroxysms confining me to the bed. In some instances the inflammation has extended to the teeth, occasioning too bache; to the threat, producing hoarseness and partial loss of voice; and and twice it has so affected the left eye as to confire me for a month or more to a darkened room. These attacks have been accompanied by strong febrile symptoms; by stoppane of the head, and, in the first stages, by watery discharges from the nose, subsequently becoming acrid and yellow, and towards the close of the attack becoming bloody and purulent. I have tried medicines of almost every kind; external ap plications to the head, such as camphor, gin ger, hot bandages, and fomentations of hot vinegar; snuffs of some half a dozen kinds, and other catarrhal preparations, together with internal remedies, such as alteratives, cathartics and emetics. These have produced no change in the occurrence or character of the disease, and, in most cases, with little or no temporary relief. I had come, at length, to believe the disease to be pra tically beyond either cure or material alleviation.

Under these circumstances I was led some five months ago. to make a trial of Dr. Lighthill's treatment. His method at once approved itself to my judgment, as simple, philosophical, and likely to be effective. Notwithstanding the disadvantages under which he labored, in dealing with a disease of such long stand. ing, aggravated by nervous debility and dyspepsis, and constantly induced by the accidents of my professional labor, I found the treatment reaching the diseass as it had never been reached setore, and producing such a modification and alleviation of its character. as I had supposed impossible. I chronicle the results thus Althou h I have been situated several times, so that I should formerly have believed a severe attack of my catarrh inevitable. I have escaped thus far: the symptoms of threatened attack have been very light and have vielded to the remedies employed by Dr. Lighthill, without need of recourse to the old hot fermentations, or emetics; and the discharges from the head have resumed the original and natural condition. I count upon a complete cure. That I have been able, however, to obtain so material a relief is to me a cause of gratitude. In that alone, I am repaid for whatever the treatment may have cost me. I make this statement unsolicited, as a means

of acknowledging my obligations to Dr Light-hill's method of treating catarrh, and with a view to aid any who may have suffered from that disease, in forming a just opinion of its merits, and its probable utility in their own FREDE S JEWELL, case. Prof State Normal School.

Albany, N. Y., March 14, 1864.

Catarrh Cured. From Rev. R. P. Russell, Lynn, Mass. I have been much troubled with Catarrh of the worst type for some twenty years. It graduall giew worse, producing cough and hoarseness, destroying the sense of smell, and breaking down my general health to such a degree as to compel me to resign my pastorate, and suspend public speaking.

I made diligent use of the useful remedies, such as snuffs of different kinds, nitrate of silver, tar water, olive tar, and inhalations, but without any salutary eff-cts Last sum. mer I heard of Dr. Lighthill's successful mode of treating catarrh, visited him, and put my-self under his treatment I began immediately to improve, and this improvement has gone on to the present time. My catarrh has gradually melted away, my cough has disappeared, my voice has become natural, and I am once more able to preach the blessed Gospel. Let me advise all troubled with catarrhal difficulties to apply to Dr. Lighthill.
